What should I do if I receive a call or text message from an unfamiliar phone number who says they are from government agencies such as MOM or the police?

Should you receive such a call, it is likely to be a phishing scam whereby someone pretends to be someone they are not in order to access sensitive information such as your bank account details. Do not click on links in unsolicited text messages and emails. If you need to access your bank account, use the official app or type in your bank's web address into your web browser to ensure that you are navigating to the official website.
