

[About Us](#)[Work passes](#)[Employment practices](#)[Workplace safety and health](#)[More](#) ✓[myMOM Portal](#)

What options are there for my workers who are not covered under PCP?

If your workers are not covered under a PCP, they can still get medical help.

They are encouraged to visit any MOM medical centre or MOM-designated GP clinics not managed by the Anchor Operators  based on their fee schedule .

They can also use the telemedicine service .
